

RII30815

## CERTIFICATE III IN CIVIL CONSTRUCTION PLANT OPERATIONS

**DURATION**  
Up to  
36 Months

**DELIVERY MODEL**  
Workplace

### Course Description

The **RII30815 Certificate III in Civil Construction Plant Operations** qualification provides the common skills required for working in the construction industry as well as those required of a skilled operator working with a range of civil plant. It would also be suitable for existing workers without a formal qualification looking to upskill or get formal recognition for their construction industry civil plant operation experience. Completion of **CPCCWHS1001 Prepare to Work Safely in the Construction Industry** is required before entering a construction work site.

**Minimum Age:** 17 Years
