Vet Student Loans

Australian Skills Group offer the following course which is eligible for VET Student Loans assistance.

- MEM50119 Diploma of Engineering – Advanced Trade

Vet Student Loans Explained

VET STUDENT LOANS is a loan scheme for the Vocational Education and Training (VET) sector that is part of the Higher Education Loan Program (HELP). VET STUDENT LOANS assists eligible students undertaking identified VET courses of study. It allows them to borrow funds from the Commonwealth up to their FEE-HELP limit to help pay for all or part of their tuition fees.

Students who access VET STUDENT LOANS assistance:

- will incur a loan from the Australian Commonwealth Government who will, on the student's behalf, pay their tuition fees to their approved VET Provider
- will have the loan as a personal debt until it is repaid to the Commonwealth, and
- until the debt/loan is repaid, may have their take-home (after tax) wage or salary and borrowing capacity reduced;
- may wish to seek independent financial advice before applying for the loan

The amount of a VET Student Loan for a course is capped. The loan may not be sufficient to cover all the tuition fees for a course. For example, at ASG, this may be where you have to re-enrol in a unit already studied.

Your VET Student Loan becomes part of your VET Student Loan debt (VETSL debt) and must be paid back at the relevant repayment rate when your repayment income is above the compulsory repayment threshold. The compulsory repayment threshold is adjusted each year and is \$46,620 for the 2020-21 financial year.

Refer to <https://www.education.gov.au/information-vet-student-loans-students> for more information.

How to Apply

VET STUDENT LOANS can only be accessed through approved VET providers. Australian Skills Group will advise you if you are eligible and will provide you with access to the online system to request a VET Student Loan. The online system provides students with a secure and easily accessible way to complete the application form (eCAF) for VET Student loans. You must be enrolled in an eligible course and apply on or before the census date for the unit/s of study you have enrolled in. If you are under 18 years of age, the Parental Consent Form must be completed and signed by the parent or guardian before commencing the eCAF application.

VET STUDENT LOANS Loan Amounts & Fees

Students have the option to pay for their tuition/course fees:

- As they become due (ASG do not collect more than \$1500 in advance so fees will be proportioned across the fee period)
- Using a VET Student Loan
- Using a combination of both

Over a student's lifetime a loan limit is applied, regardless of whether it is used under VET STUDENT LOANS for vet studies, or FEE-HELP for higher education studies. The 2021 FEE-HELP loan limit is \$108,232 for most students. These amounts are indexed on 1 June each year.

The tuition fees for VET Student Loan approved courses are capped by the Government. The maximum amount of assistance provided for a VET Student Loan will be at the course capped level. Also, the amount of the loan cannot be greater than the student's remaining FEE-HELP balance.

A loan fee of 20% applies to VET STUDENT LOANS; the FEE-HELP limit does not include the loan fee. The amount of the VETSL debt is the amount of the VET Student Loans provided for a part of a course, plus the VET Student Loan fee. The VET STUDENT LOAN covers tuition fees only. It does not cover accommodation, general living expenses or course materials. Australian Skills Group set the tuition fee for all units of study that make up their VET FEE enabled courses listed on page 1.

Tuition fees will be apportioned across 3 sequential fee periods and each fee period will contain at least one census date.

Census Date:

A date by which enrolment may be cancelled by the student without incurring tuition fees (or a VET Student Loans debt) for the course, or part of the course.

Additional VET STUDENT LOANS Information

Additional information on VET STUDENT LOANS is found in the VET STUDENT LOANS Information Booklet provided to you pre-enrolment. This is also available from Student Administration; or visit www.studyassist.gov.au.

Student Review Procedures For Re-Crediting a Fee- Help Balance

Introduction

For the purpose of this procedure a student is an Australian citizen; or New Zealand Special Category Visa holders (SCV) who meet the long term residency requirements; or an Australian resident permanent humanitarian visa holder enrolled in a VET STUDENT LOANS enabled course.

Australian Skills Group will:

- Set a census date for each VET unit of study that is no earlier than 20% of the way through the VET unit of study;
- Ensure that all students are informed of the census dates for each VET unit of study in the manner and by the date prescribed in the VET Administration Guidelines.
- Ensure that all students are informed of the review procedures for the re-crediting of a FEE-HELP balance.

If a student who has requested VET STUDENT LOANS assistance withdraws from a VET unit of study on or before the census date for that VET unit of study, the student will not incur a VET STUDENT LOAN debt for that VET unit of study.

If a student who has requested VET STUDENT LOANS assistance withdraws from a VET unit of study after the census date for that VET unit of study, the student will incur a VET STUDENT LOANS debt for that VET unit of study.

A student who has incurred a VET STUDENT LOANS debt for a VET unit of study may apply to have their FEE-HELP balance re-credited for the affected VET units of study in accordance with the following procedure.

Special Circumstances

If a student withdraws from a VET unit of study after census date, or has been unable to successfully complete a VET unit of study, and believes this was due to special circumstances then the student may apply to have their FEE-HELP balance re-credited for the affected VET units of study.

Australian Skills Group will re-credit the student's FEE-HELP balance if it is satisfied that special circumstances apply that:

- are beyond the student's control; and
- did not make their full impact on the student until on or after the census date for the VET unit of study in question; and
- make it impractical for the student to complete the requirements for that VET unit of study in question

Australian Skills Group will be satisfied that a student's circumstances are beyond the student's control if a situation occurs that a reasonable person would consider is not due to the person's action or inaction, either direct or indirect, and for which the student is not responsible. The situation must be unusual, uncommon or abnormal.

Each application will be examined and determined on its merits by considering a student's claim together with independent supporting documentation substantiating the claim.

Initial applications for the re-crediting of a student's FEE-HELP balance are to be made, in writing, to the VET STUDENT LOANS Administrator.

The contact details for the VET STUDENT LOANS Administrator are:

Ms Dianne Waller

Phone 07 3889 8233

Fax (07) 3889 8533

Email diannew@asg.edu.au

The procedure for the re-crediting of a FEE-HELP balance is as follows:

- (a) when a student withdraws from a VET unit of study, Australian Skills Group shall confirm the withdrawal by giving notice to the student in writing stating the date at which the withdrawal has taken effect;
- (b) when a student fails to meet the requirements of a VET unit of study, Australian Skills Group shall confirm the failure by giving notice to the student in writing of the final result for that VET unit of study after results for the VET unit of study have been properly approved;
- (c) the student must apply in writing to the VET STUDENT LOANS Administrator within 12 months from the date specified in the notice as the day of withdrawal or the date of receiving their final results for the VET unit of study. Australian Skills Group may exercise its discretion to waive this requirement if in its opinion it was not possible for the application to be made before the end of the 12 month period;
- (d) The VET STUDENT LOANS Administrator will consider the application and will agree to such requests if they are satisfied that there were special circumstances in the student's case;
- (e) If the application is successful, Australian Skills Group will re-credit the student's FEE-HELP balance with an amount equal to the amounts of VET STUDENT LOANS assistance that the student has received for the affected VET units of study and the student's VET STUDENT LOANS debt for those VET units of study will be removed
- (f) The VET STUDENT LOANS Administrator shall advise the student of the outcome of the application within 28 days stating the reasons for the decision;
- (g) The VET STUDENT LOANS Administrator shall also advise the student of their rights for a review of the decision if they are not satisfied with its outcome.

The review shall be carried out by the Review Officer who is senior to the original decision maker

This notice shall also advise the applicant that they have the right to apply to the Administrative Appeals Tribunal for a review of the decision and will provide the contact details of the closest Administrative Appeals Tribunal Registry and the approximate costs of lodging an appeal.

The Review Officer shall:

The student may supply additional information to the Administrative Appeals Tribunal which they did not previously supply to Australian Skills Group either in the original application or the request for review.

The Secretary of DEEWR, or the Secretary's delegate, will be the respondent for the cases that are brought before the AAT. An informal complaint will be referred to an appropriate person to assist the effective and rapid resolution. Resolution of a complaint is to be achieved as quickly as possible, at the local level and with a minimum number of people involved.

Formal grievance

A formal complaint is made by forwarding a signed written complaint to the Operations Manager of Australian Skills Group within three months of the incident.

All parties have a right to confidentiality and privacy, subject to necessary legal responsibilities and the complaint will be forwarded to the most appropriate person (as determined by the General Manager) to assist the effective and rapid resolution of any complaint.

Before an Issue Becomes a Formal Grievance

Complainants are encouraged, wherever possible, to resolve concerns or difficulties informally with the trainer or staff member involved in the action(s) in order that the issue may be resolved quickly and effectively. There are also staff available to assist the resolution of issues at this level. - A full explanation in writing for decisions and actions taken as part of the process will be provided if so requested by the complainant or respondent
- The complainant is given appropriate access to records, whilst maintaining confidentiality

Operations Manager
Australian Skills Group
PO BOX 7244
Brendale QLD4500

These forms can be found on our website or requested from Student Administration

Receipt of the grievance will be acknowledged in writing. The grievance handling process will commence within 10 working days of receipt of the formal grievance and all reasonable measures will be taken to finalise the process as soon as practicable.

The Operations Manager, or their nominee, will then, if necessary, seek to clarify the

outcome that the complainant hopes to achieve.

Such clarification may be sought by written or verbal request or by a face-to-face interview with the complainant. When such clarification occurs in a face-to-face interview the complainant or respondent may ask for a third party to accompany them.

The Operations Manager, or their nominee, will then endeavour to resolve the grievance and will provide a written report to the complainant on the steps taken to address the grievance, including the reasons for the decision, within 10 working days. The report will further advise the complainant of their right to access the internal appeals process if they are not satisfied with the outcome of their formal grievance.

Where the complainant is satisfied with the outcome the resolution will be implemented and the complaint/appeal closed

Australian Skills Group will review the complaint and a Continuous Improvement Notice raised for action where required.

Stage 2 – Internal Appeal

If a complainant is dissatisfied with the outcome of their formal grievance they may lodge an appeal with the General Manager Quality and Compliance (who is senior to the original decision maker) within 20 working days of receiving notification of the outcome of their formal grievance. The General Manager Quality and Compliance will appoint an appropriate person or committee to consult with the complainant and other relevant parties within 10 working days.

Where possible such consultations should take the form of face-to-face interviews. The complainant or the respondent may ask another person to accompany them to these interviews.

Following the consultation, the General Manager Quality and Compliance, or their nominee, will provide a written report to the complainant advising the further steps taken to address the grievance, including the reasons for the decision, within 10 working days. The report will further advise the complainant of their right to the external appeals process if they are not satisfied with the outcome of their internal appeal.

Where the complainant is satisfied with the outcome the internal appeal, any resolution will be implemented and the complaint/appeal closed

Australian Skills Group will review the complaint and a Continuous Improvement Notice raised for action where required.

Stage 3 – External Appeal

If the complainant is dissatisfied with the outcome of their appeal, they may lodge an external appeal to an independent Arbitrator appointed to conduct such an appeal within 20 working days of receiving notice of the outcome of their appeal.

Contact Details for Independent Arbitrator:

Mr Bruce Crowe

Ph: 0411 731 286

Complainants who wish to lodge an external appeal must complete and lodge the required external appeal form/documentation which is available by contacting the Independent Arbitrator.

Once an application has been made the Independent Arbitrator will advise Australian Skills Group of the external review application made by the complainant. Both the Complainant and the RTO will be requested to provide documents in support of the application within 14 days including student files and records. The Independent Arbitrator will then consider the documents and make a determination which will be sent to both parties.

Turnaround time for an appeal is 4-6 weeks of lodgement.

Australian Skills Group agrees to be bound by the Independent Arbitrator's recommendations and the General Manager Quality and Compliance will ensure that such recommendations are implemented within 30 days of receipt of the report from the Independent Arbitrator.

Where the complainant is satisfied with the outcome of the external appeal, the resolution will be implemented and the complaint/appeal closed

Australian Skills Group will review the complaint and a Continuous Improvement Notice raised for action where required.

Further Action

If a grievance still remains unresolved after the external appeal, the complainant may decide to refer the matter to the:

The VSLO will report on its investigations and recommend that providers and others take action, or stop certain behavior, to address identified problems and provide redress to affected students.

Neither does this procedure circumscribe an individual's rights to pursue other legal remedies.

Enrolment Status

Where a current student chooses to utilise this process Australian Skills Group their enrolment status must be maintained whilst the grievance handling and appeals process is ongoing.

Record Keeping

A written record of all grievances handled under this procedure and their outcomes shall be maintained for a period of at least 5 years to allow all parties to the grievance appropriate access to these records. Academic Matters

Recognition of Prior Learning (RPL)

During your lifetime, you have gained valuable knowledge and developed many skills. You may have previously worked either full or part time or in a voluntary capacity. This work may have involved some training (either formal or informal). You may also have attended other training courses.

Your current knowledge and skills may be relevant to the course you are wishing to enroll in. Each unit you study is made up of various elements and competency outcomes. Each one consists of a range of performance criteria. If you can provide evidence that you have the relevant skills and knowledge, you may be able to use this to gain recognition for all or part of a course. This is known as recognition of prior learning (RPL).

When you apply for RPL, your knowledge and skills are measured against the equivalent unit(s) in the relevant course. If you are successful, you will be assessed as having already completed those units in your course. This may enable you to complete your studies in less time and at less cost.

Applying for RPL

The application for RPL is an assessment just like any other assessment you may undergo while you are a student with ASG. It is, therefore, not to be taken lightly. However, if you look at the **advantages** in undertaking this process, the time may be well spent.

You are able to apply for RPL for one unit or several units of competencies using the RPL process. You must be able to support your application with documentary evidence.

If you believe that you already have competencies in the course you apply for, contact Student Registrar for an RPL application.

- What are the implications for tuition fees?

Students who are successful in obtaining RPL will have their tuition fees adjusted on a nominal hour basis depending on the subject length. RPL fees are in accordance with the table of schedule fees.

Credit Transfer (CT)

Credit transfer involves assessing a previously completed course or subjects to see if it provides equivalent learning or competency outcomes to those required within your current course of study. The purpose of Credit Transfer is to make it easier for students to move between courses and institutions. This gives people more opportunities to fulfil their potential and respond to changing employment needs. It means a student can gain credit for previous study and complete current qualifications more quickly.

Credit transfer allows students to count relevant, successfully completed studies at TAFE institutes, accredited private providers, professional organisations or enterprises and universities toward their current course of qualifications.

To apply for Credit Transfer for units of competency, submit a certified copy of qualification or statement of attainment when enrolling.

Academic progress

ASG will monitor your academic progress to ensure you achieve your desired course outcomes. Attendance in class and submission of all required assessments is essential to achieve success. Hard copy of progress reports will be sent to you on the completion of each term/stage.

You will receive feedback from you trainer on all assessment material completed and marked.

Assessment Appeal Process

All students have the right to appeal should they not be satisfied with the assessment decision. This can be dealt with as follows:

- Approach your trainer /assessor informally to discuss your concerns
- If you are not satisfied or do not feel comfortable, a meeting can be arranged with the General Manager Operations
- The General Manager Operations will have the work re-assessed by a different qualified trainer/assessor
- You will be notified of the outcome in writing

Counselling Support

ASG is committed to provide all the support that students need to complete the training and assessment successfully. In the event that you feel you need support with the training or other issues that you are dealing with that could be making your studies difficult speak with your trainer or make an appointment to see the Education Office. Australian Skills Group is able to provide you with a list of suitable counselling services available.

Language literacy and Numeracy

ASG recognizes the diverse learning experiences of individuals and that language, literacy and numeracy abilities are not the same for all. In order that ASG can be assured your LLN abilities are suitable for your chosen course, it is an entry requirement that you demonstrate Australian Core Skills Framework competence at Exit Level 3.

If during your course you require additional assistance speak with your trainer in the first instance or make an appointment to see the Education Support Officer. We can support your individual learning needs through our own specialised staff or by referral to other organisations.
